

Dear Members:

Just wanted to let you know that I did not forget to send the minutes out for February. Actually we cancelled the meeting due to bad weather. Not too often we ever do so. There is lots pending- fishing derby tickets for sale, upcoming cleanup in April and the fishing derby in May. I will keep you posted

Please send in your dues, if you have not done so already and thanks to the many who have sent in their dues.

Meeting is tomorrow night, Tuesday. Hope to see you then.

Thanks, Jerry
